

The next question we are asked is what does it cost and does insurance cover it?

A close-up photograph of a person wearing a white lab coat and blue nitrile gloves. They are holding a pipette and dispensing liquid into a multi-well plate. The background is a blurred laboratory setting with various pieces of equipment. A dark blue diagonal overlay covers the right side of the image, containing white text.

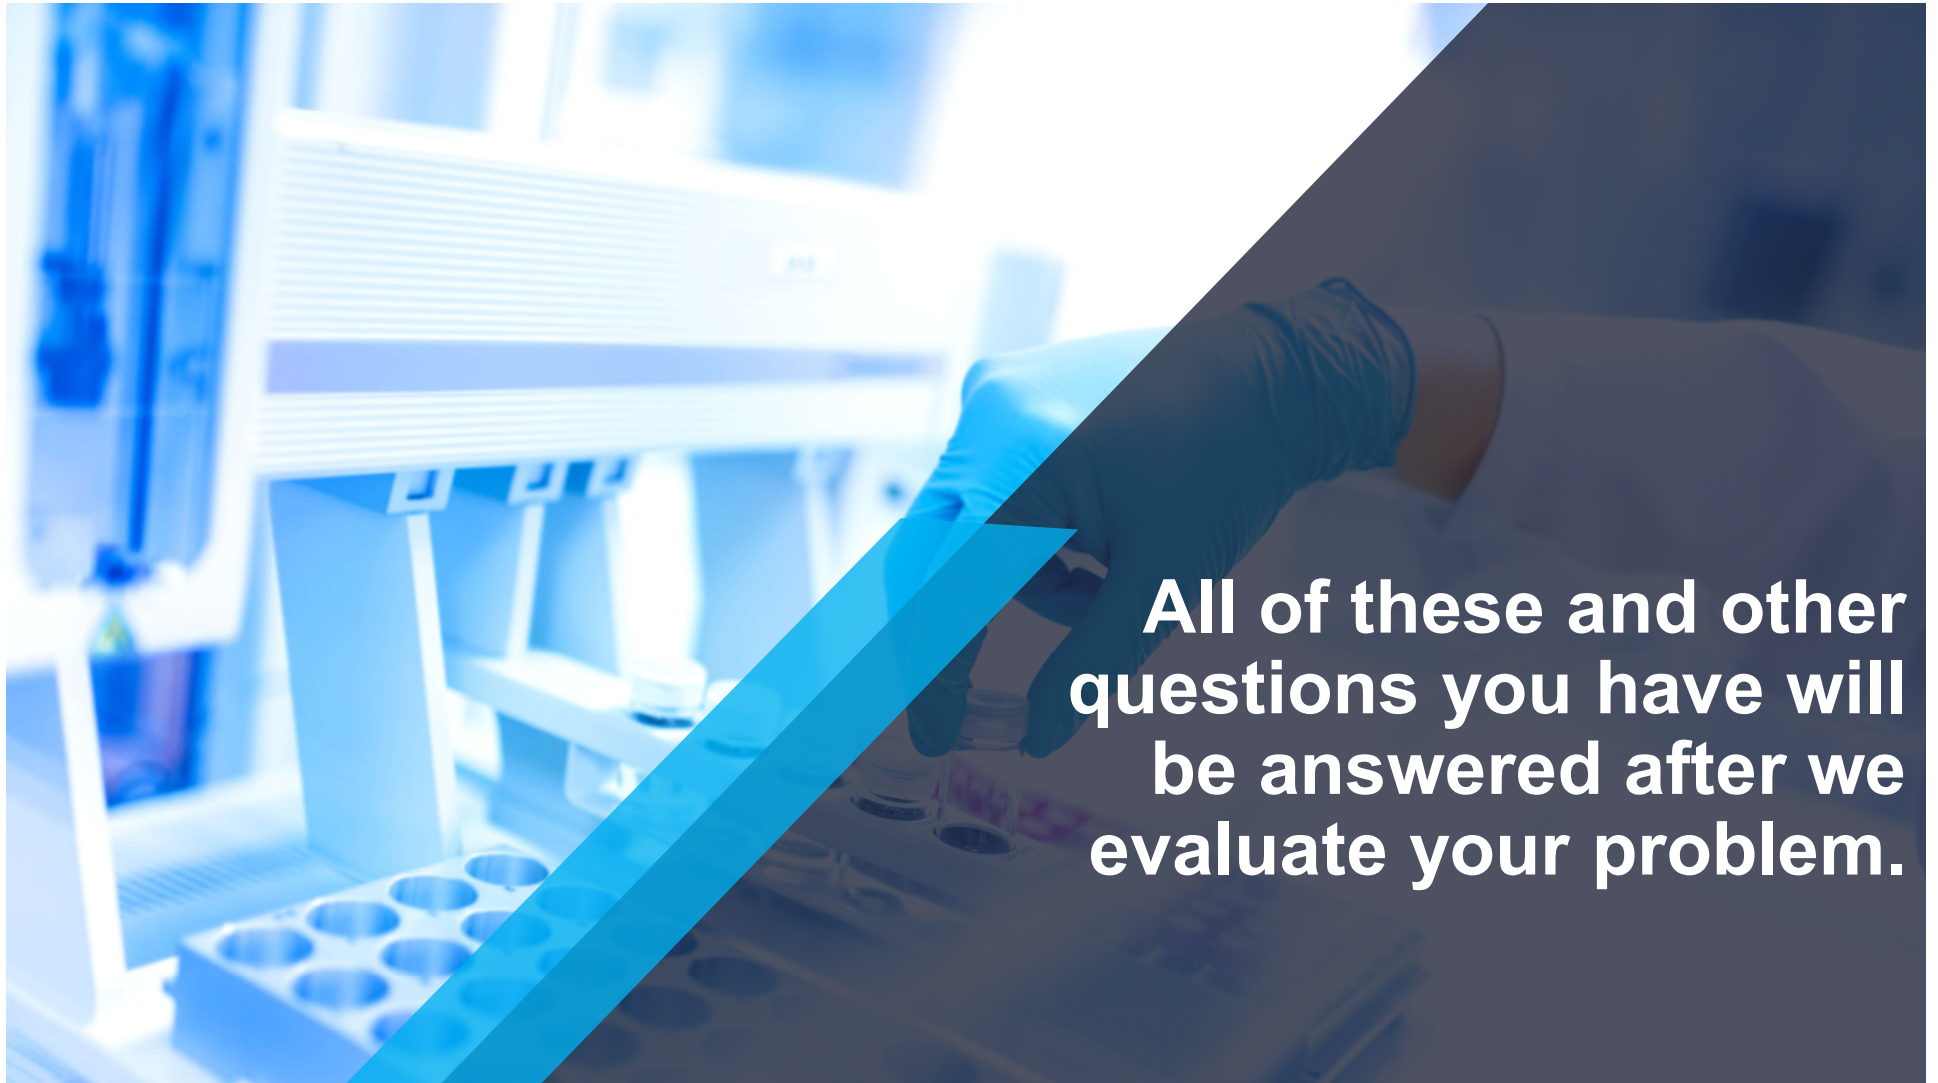

The costs vary, but we never let money be a barrier to you getting some form of help. Unfortunately, insurance does not cover regenerative medicine.

A composite image featuring a stethoscope, a yellow pill bottle, and several US twenty-dollar bills. The bills are crumpled and placed around the medical items. A blue diagonal graphic element is overlaid on the bottom right. The text is positioned on the left side of the image.

**We have flexible
payment options that
fit nearly everyone.**

Can cells from another person's body be injected into mine or is there some process to match them? There is no need to match cells to your body if the option that is chosen is to use foreign stem cells.

All of these and other questions you have will be answered after we evaluate your problem.

A photograph of a laboratory setting. In the foreground, a glass pipette is positioned over a small glass vial, with a single drop of liquid about to fall. The background is filled with various pieces of laboratory glassware, including beakers and flasks, some containing liquids. The lighting is bright and focused on the pipette. A dark blue diagonal overlay covers the left side of the image, and a bright blue diagonal arrow points from the center towards the bottom right.

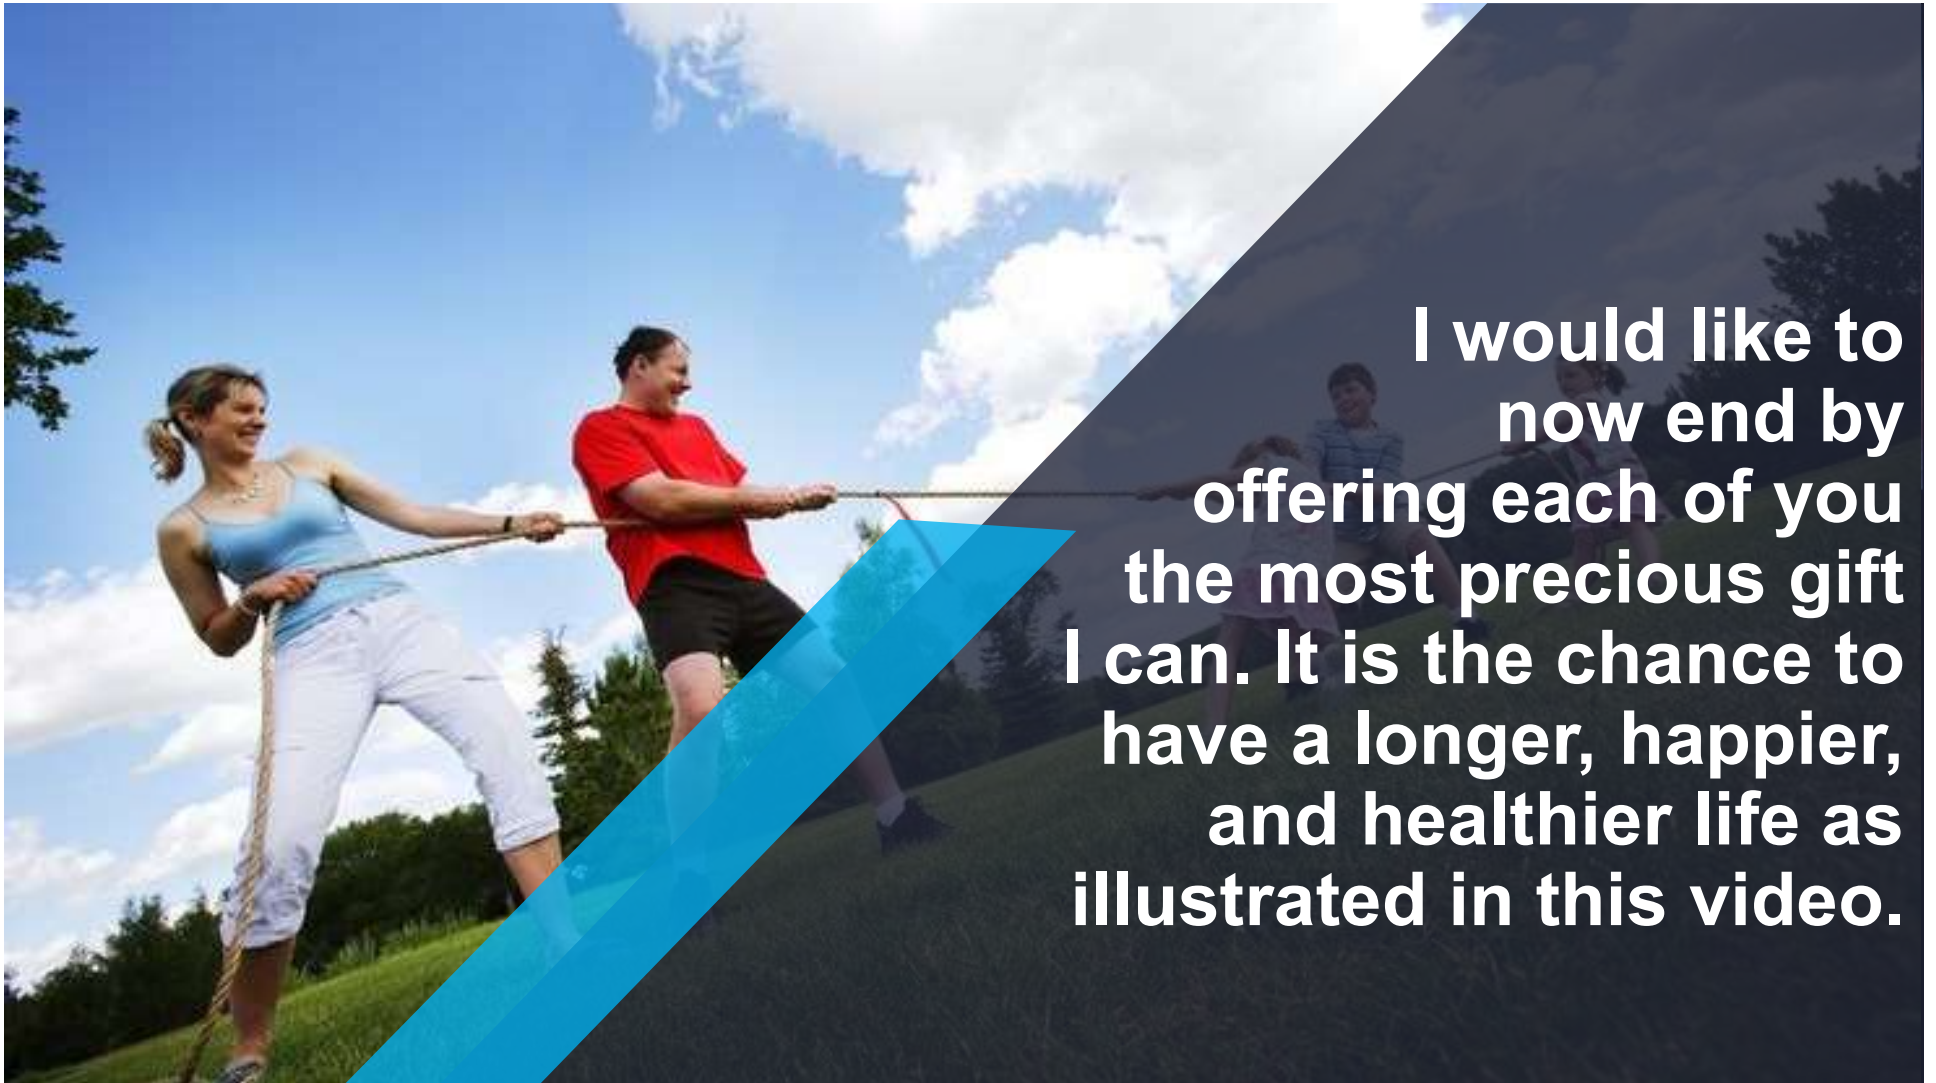

**Only when we know
the extent of your
problems and the
causes will we be able to
determine if we can help
you and what would be
involved.**

We would then work together as a team to provide a program that would fit within your budget.

A close-up photograph of a black stethoscope resting on a document. The document has the words 'HEALTH INSURANCE POLICY' printed on it in a serif font. The scene is lit with a strong blue light, creating a cool, clinical atmosphere. A dark grey, semi-transparent geometric shape is overlaid on the left side of the image, and a bright blue diagonal bar is on the right side.

**As I mentioned earlier,
regenerative medicine is
not covered by
insurance companies.**

**I would like to
now end by
offering each of you
the most precious gift
I can. It is the chance to
have a longer, happier,
and healthier life as
illustrated in this video.**

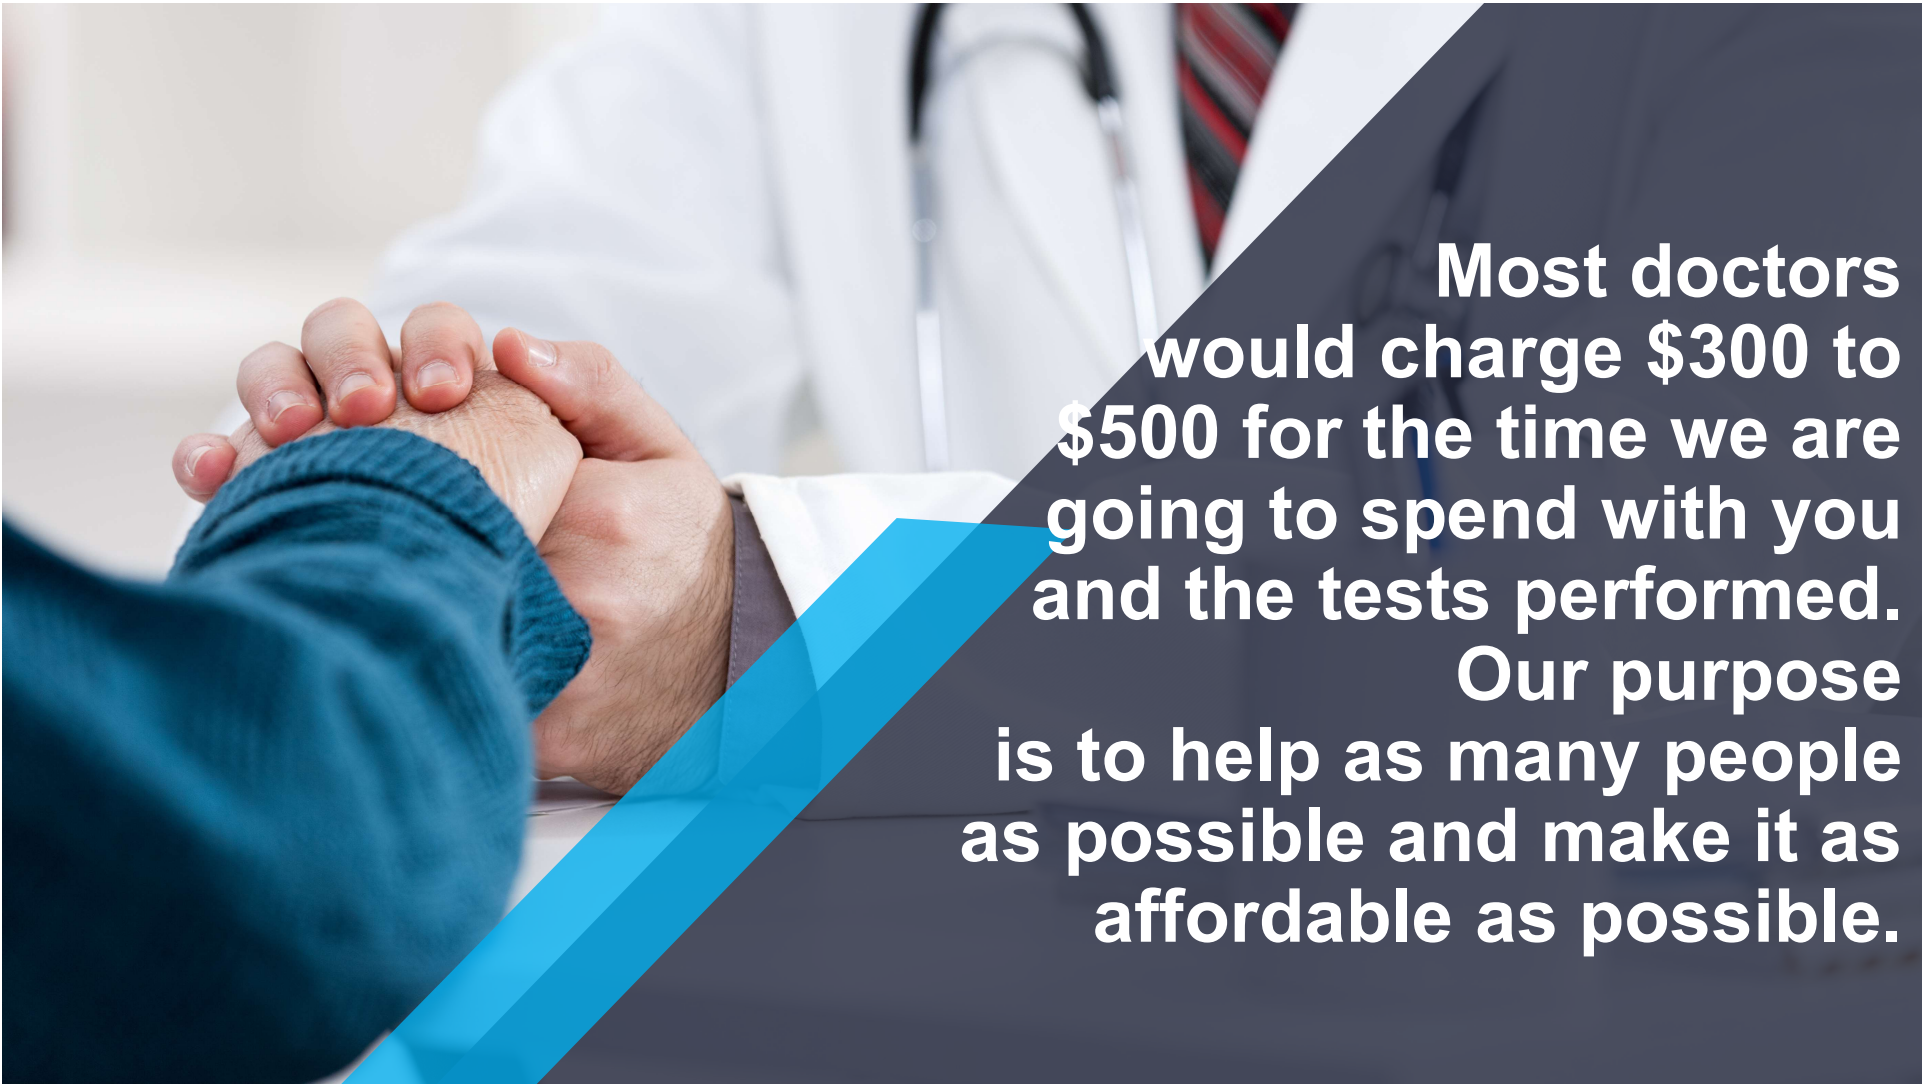

As a token of appreciation for being here today we are offering you the opportunity to receive a comprehensive consultation, evaluation, and recommendations for only \$49.

**At the evaluation
we will measure the
degree of injury and
review any imaging or
films. An analysis of
the amount of motion
available in the injured**

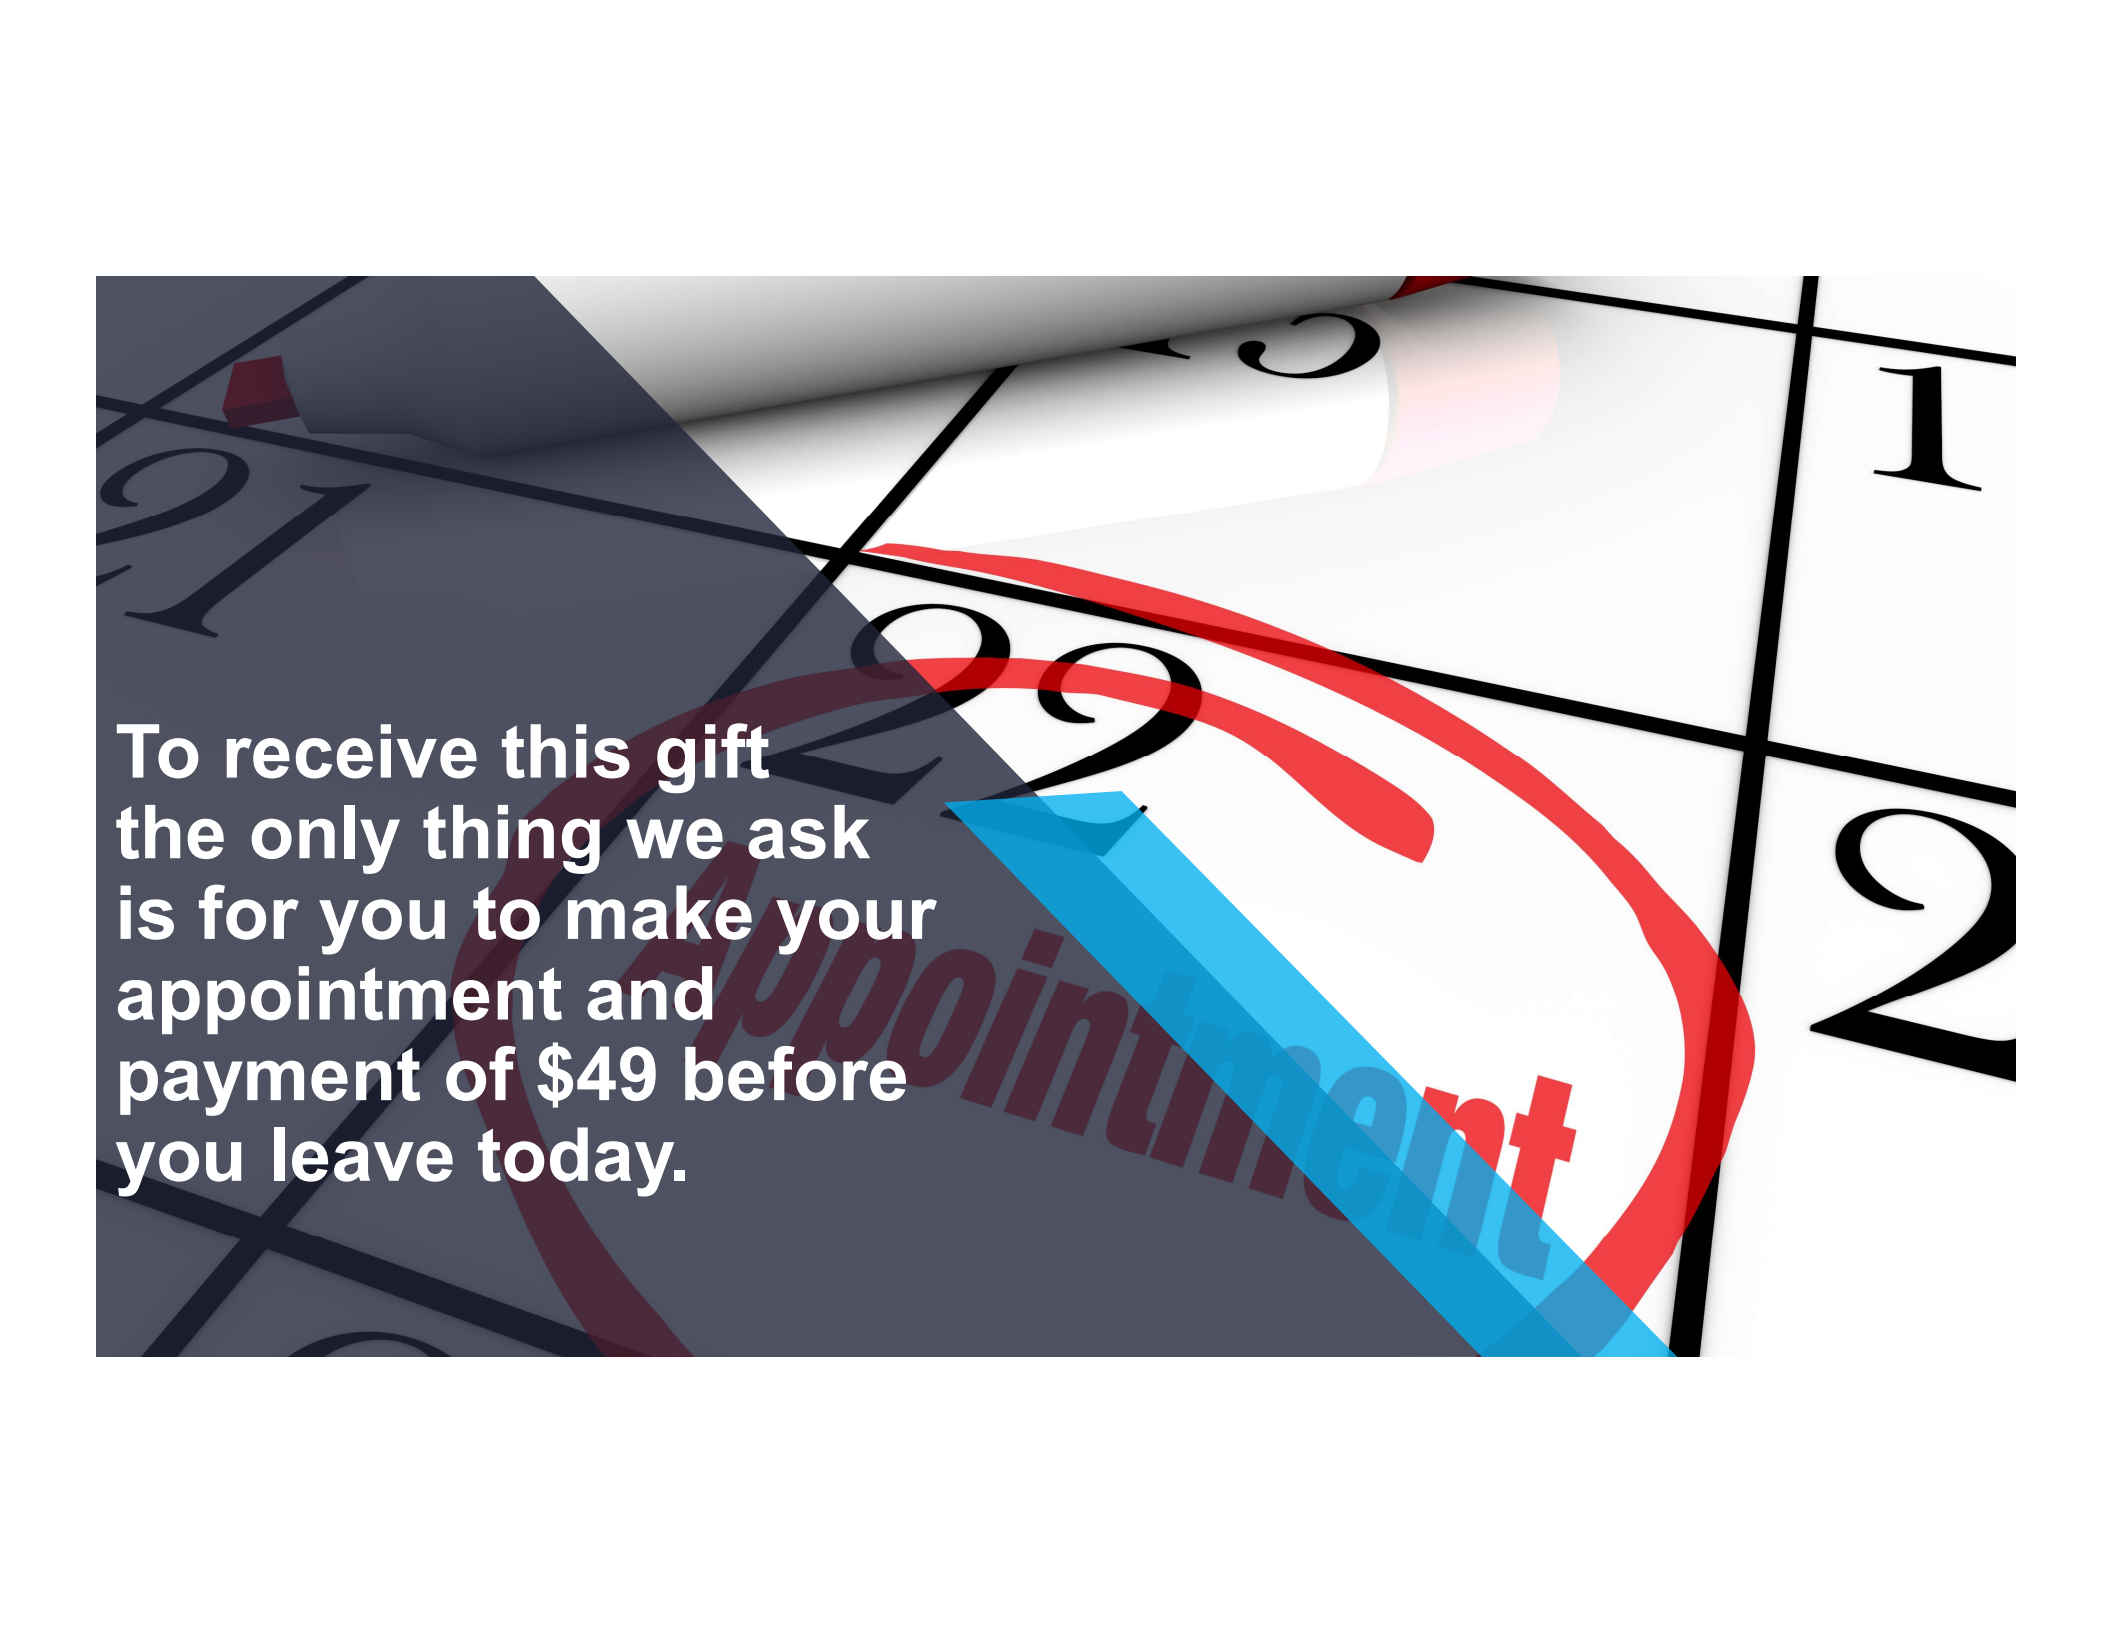

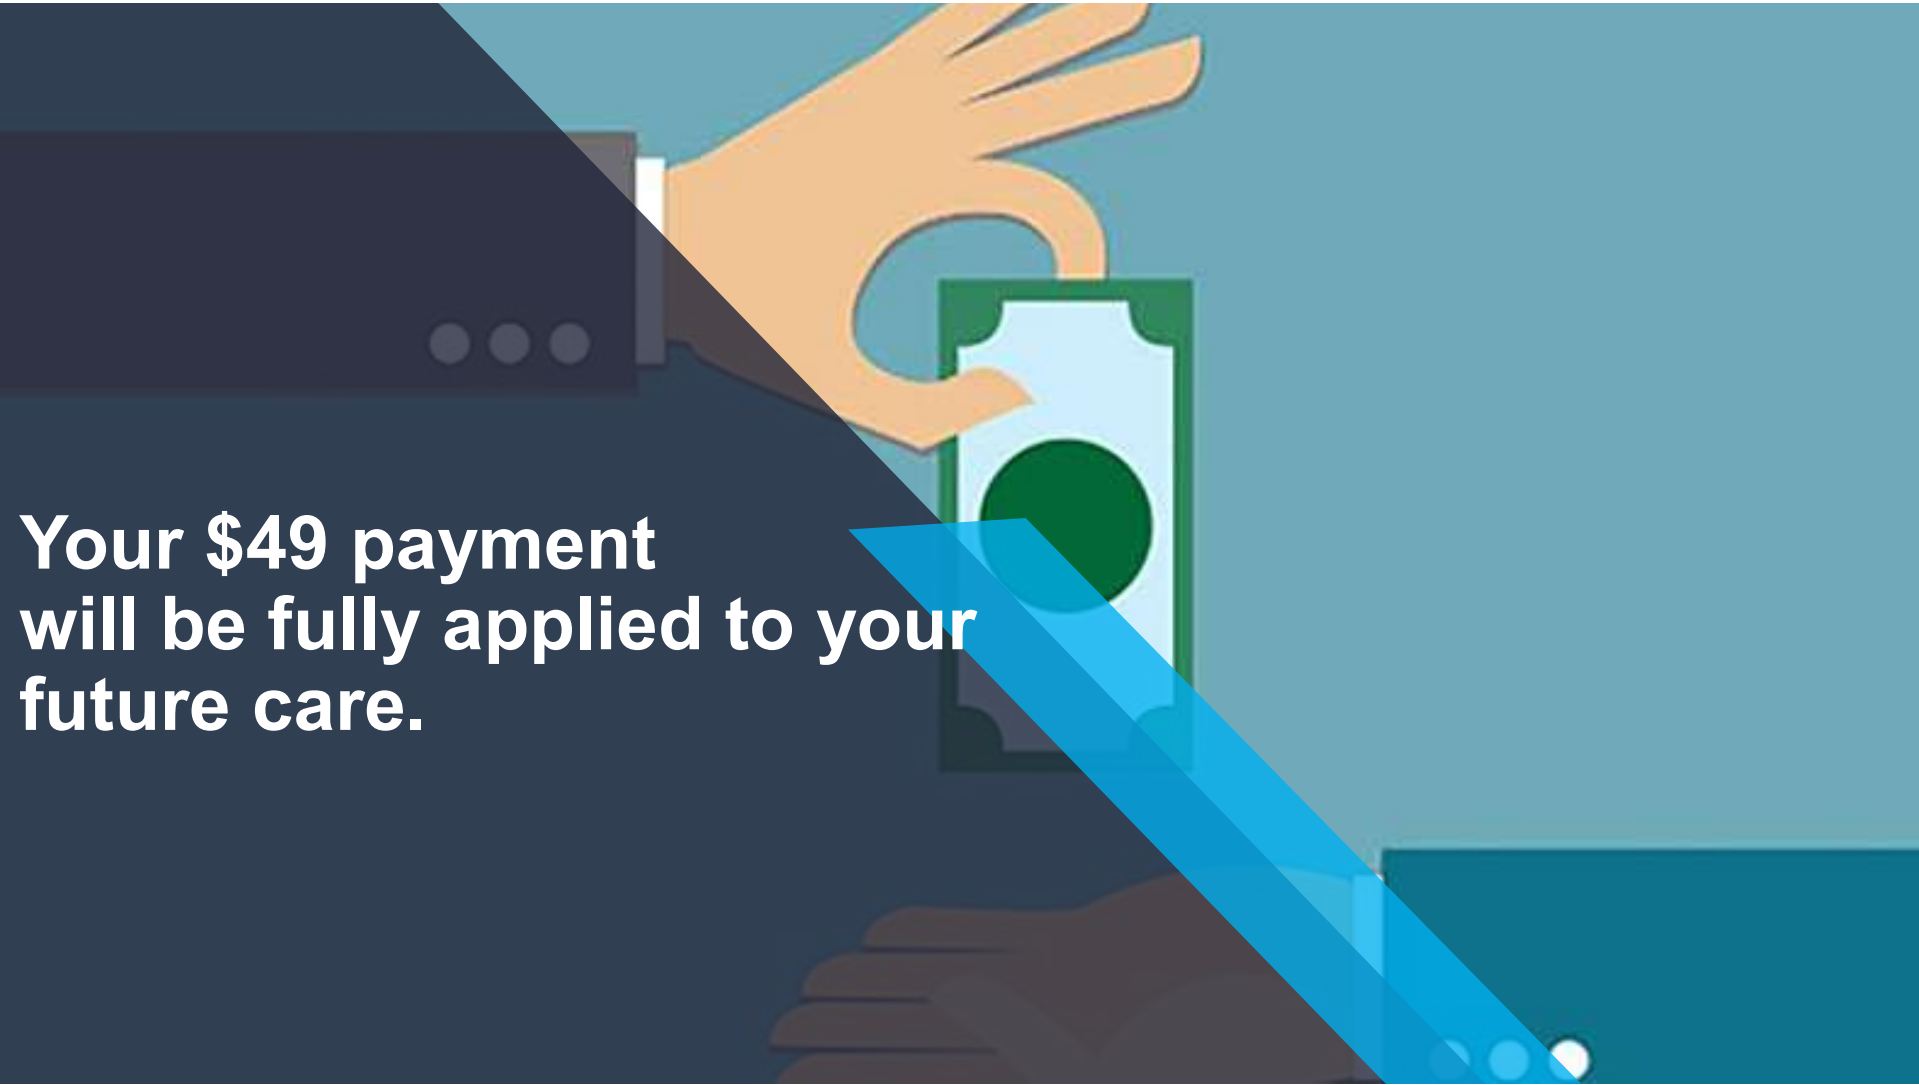

**We will also
determine
how stress can be
related and its effect
on your overall
health.**

A photograph showing a close-up of a doctor's hands holding a patient's hand. The doctor is wearing a white lab coat and a stethoscope. The patient is wearing a blue long-sleeved shirt. The background is blurred. A dark blue diagonal graphic element is overlaid on the right side of the image, containing white text.

Most doctors would charge \$300 to \$500 for the time we are going to spend with you and the tests performed. Our purpose is to help as many people as possible and make it as affordable as possible.

To receive this gift
the only thing we ask
is for you to make your
appointment and
payment of \$49 before
you leave today.

An illustration showing a hand in a dark suit sleeve holding a green one-dollar bill. The background is a gradient of blue and teal. A blue diagonal bar is present in the lower right quadrant.

**Your \$49 payment
will be fully applied to your
future care.**

A woman is running on a paved path in a park during sunset. The sun is low on the horizon, creating a warm, golden glow. The woman is in the foreground, slightly to the left, with her hair blowing in the wind. The background shows trees and a clear sky. A large, semi-transparent blue diagonal shape is overlaid on the right side of the image, pointing towards the bottom right corner.

Our purpose is to help you live a happier, pain free life so you can do those things you could before you had your problems.

A photograph of a man and a woman sitting at a desk, looking at a document together. The man is on the left, wearing a light-colored button-down shirt, and the woman is on the right, wearing a dark blue button-down shirt. They are both smiling and appear to be in a professional setting. A large blue arrow graphic points from the bottom left towards the text on the right.

On the bottom of your survey please indicate if you would like to receive this opportunity with a preferred appointment time.

**Please remember to
take your survey with
you to hand to the
consultant as you schedule
your appointment at the
conclusion of this seminar.**

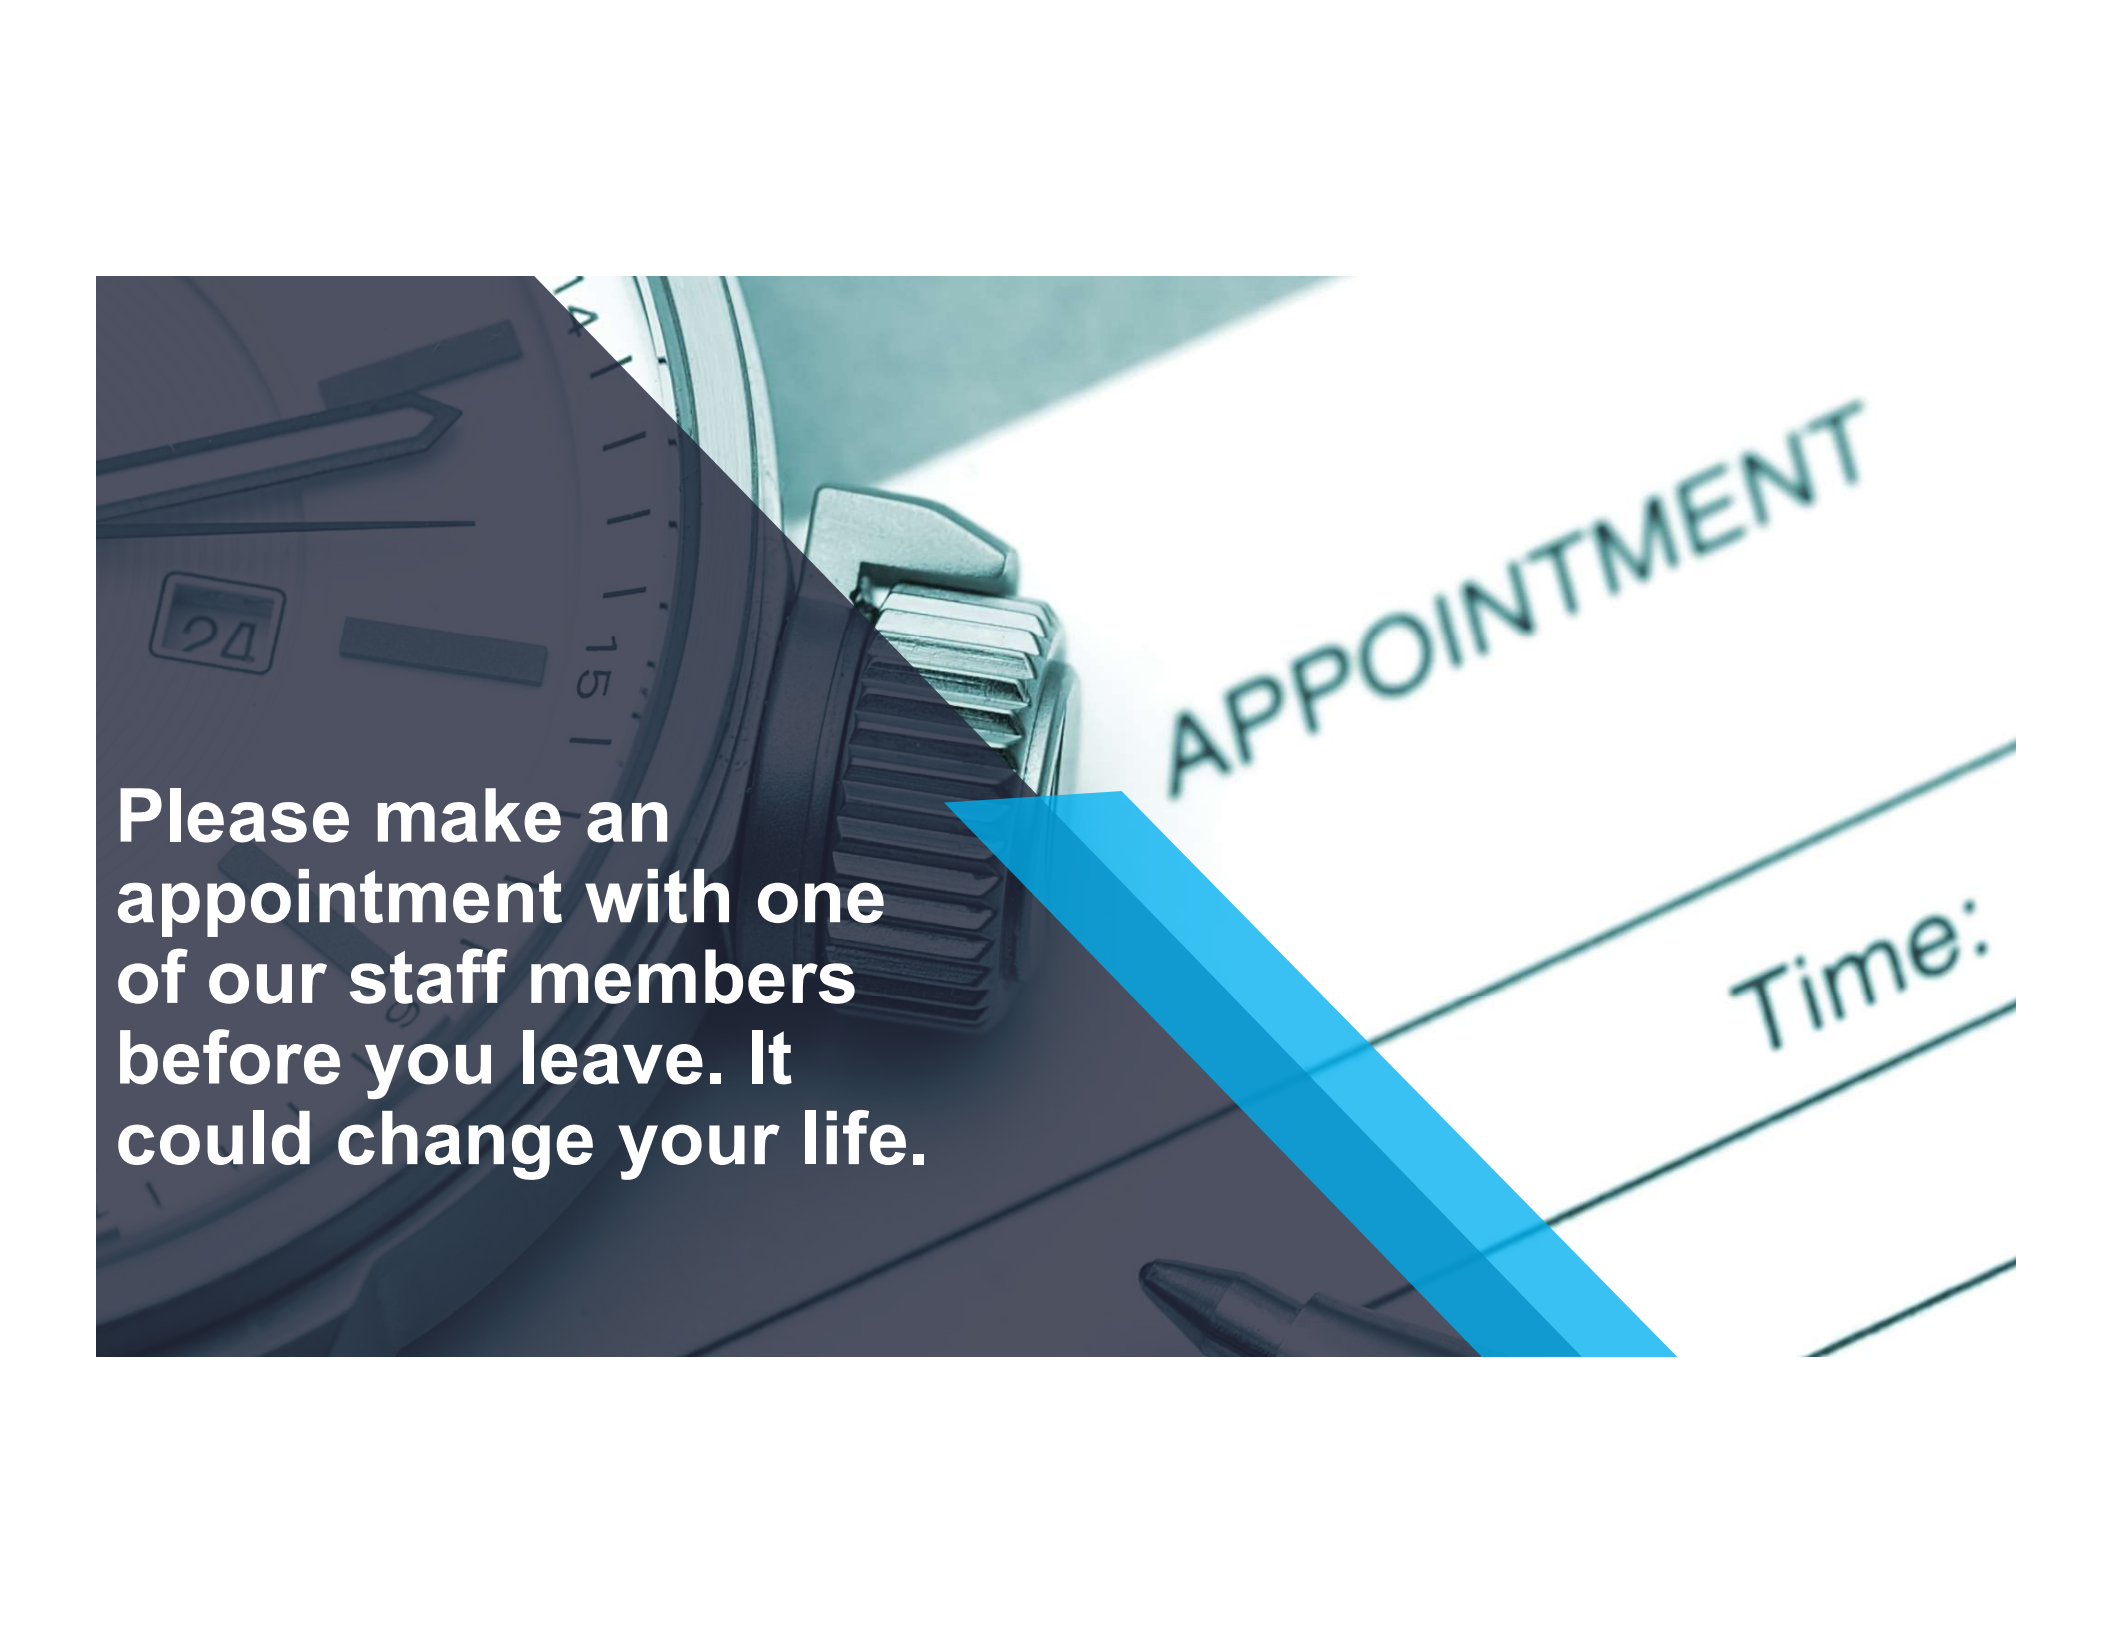

**Remember problems
get worse over time.
Unless you try
something new, your
problem will not go
away on its own.**

A close-up photograph of a person's hand holding several gold coins. The hand is positioned in the lower right quadrant of the frame. In the background, a pocket watch is visible, partially obscured by a dark blue diagonal overlay that covers the left side of the image. The watch face shows numbers from 1 to 12. A bright blue diagonal graphic element is also present, overlapping the bottom right corner of the dark blue area.

You have nothing to lose because we will not waste your time or money. If we can not help you we will refer you to someone who can.

**All we ask is for
you to give us a
chance to help you
enjoy your life to
its fullest.**

Please make an appointment with one of our staff members before you leave. It could change your life.

APPOINTMENT

Time:

A dark, low-key photograph of a family silhouette is the background. A man on the left wears a hat and carries a baby. A woman on the right carries a young girl on her shoulders. The girl has her arms outstretched. The text 'Thank You' is centered over the image, with 'Thank' in white and 'You' in blue. Two thick blue diagonal stripes are positioned on the left and right sides of the image, framing the central text.

Thank You
